Accessibility Statement for The Keyring Studio

The Keyring Studio is committed to making our website as accessible and inclusive as possible for all visitors, regardless of ability or the technology they use.

We are continually working to improve the accessibility and usability of our website and aim to follow recognised best practices and relevant accessibility standards where reasonably practicable.

Measures We Take

To help make our website accessible, we aim to:

- Use clear, readable fonts and straightforward language.
- Maintain good colour contrast between text and backgrounds.
- Structure content using clear headings and logical page layouts.
- Provide descriptive alternative text for images where appropriate.
- Ensure the website can be navigated using a keyboard wherever possible.
- Design pages that work across a range of devices, including desktops, tablets and mobile phones.
- Regularly review our website for usability and accessibility improvements.

Compatibility

Our website has been designed to work with modern web browsers, including:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Apple Safari

It is also intended to be compatible with common screen readers and other assistive technologies where supported by your browser and device.

Known Limitations

While we strive to make every part of our website accessible, some areas may not yet fully meet the latest accessibility guidance.

Examples may include:

- Some older images may not yet have fully descriptive alternative text.
- Some third-party services or embedded content may not be fully accessible.

- Certain personalised product previews or customisation features may have accessibility limitations beyond our direct control.

We are committed to improving these areas over time.

Personalised Products

Many of our products are customised with names, dates or personal messages supplied by customers. If you experience difficulty using our personalisation options, please contact us and we will be happy to assist with your order.

Feedback and Assistance

We welcome feedback about the accessibility of our website.

If you experience any difficulty accessing information, placing an order, or using any part of our website, please let us know.

Email: sales@thekeyringstudio.co.uk

When contacting us, it is helpful if you can include:

- The page or product you were trying to access.
- A description of the issue.
- The device and browser you were using (if known).

We will do our best to respond promptly and provide the information or assistance you need.

Ongoing Improvements

Accessibility is an ongoing process. We regularly review our website and make improvements where possible to enhance the experience for all visitors.

Thank you for visiting The Keyring Studio.
